## CLEANSER

ALL SKIN TYPES

### EXFOLIATING SCRUB POLISH

Creamy scrub with innovative exfoliating microgranules of Charcoal that smooth face and neck skin, easily eliminating dead cells and impurities without altering the natural cutaneous hydro-lipid balance. Formulated with Hawaiian Red Algae and Marine Sediments, Exfoliating Scrub polish embodies the sea energizing power to stimulate micro-circulation and to reactivate skin breathing. After the use skin will appear purified, fresh, uniform and smooth.

#### WHAT SKIN TYPE AND AT WHAT AGE?

Exfoliating scrub is indicated for all skin types at any age. It's suitable for maintaining the skin smooth and to favour the natural cutaneous regeneration.

#### HOW TO USE?

Apply on cleansed and damped face and neck, gently massaging for few minutes. Insist on thicker and impure areas, rinse off with warm water and apply Rose Tonic Balancing. We recommend to use the product once or twice a week. In case of particularly thick skin You can apply it daily. Avoid eyes contact.

FUNCTIONAL INGREDIENTS:	PROPERTIES:
Charcoal Microgranules	Exfoliating - purifying
Natural Microgranules	Exfoliating - mineralizing
Marine Sediments	Purifying - mineralizing
Kaolin	Mattifying
Red Algae	Mineralizing - emollient
Black Tea	Purifying

#### FOCUS ON

**CHARCOAL MICROGRANULES:** treated with oxygen to increase their porosity and absorbing properties, they entrap and remove from the skin impurities, smoothing the surface. When the microgranules are in contact with damp skin, they dissolve absorbing the sebum in excess and purify the skin.

**NATURAL MICROGRANULES:** from trees cellulose, they have a natural smoothing action that delicately exfoliate the epidermis, eliminating dead cells.

**RED ALGAE:** from Pacific Ocean, they are characterized by a hydrating and emollient action. They are also renowned for their anti-oxidant properties that counteract premature cutaneous aging, favouring the natural maintenance of a youthful and glowing skin.

#### USE WITH:

**1.** Biomarine perfect skin mask. To donate to the skin an extraordinary antiage, brightening and turgid effect, alternate the use of Biomarine with Exfoliating Scrub Polish.

**2.** Rose Creamgel Hydrating Glowing. After using the Exfoliating Scrub Polish and toning the skin, apply Rose Creamgel for a hydrating and refreshing boost.

**Dermatologically tested.**
