LE SFERE

Wellness

The aesthetic accessories that **revolutionize** the way beauty treatments are performed.

Tools composed by a sphere of **borosilicate glass**, containing a unique and special liquid, with a **silicone handle**.

Hot or Cold, Sphere or Flat, they donate a **cuddling** and **unforgettable sensation** during the massage.

WHY CHOOSE LE SFERE WELLNESS?

Using **Le Sfere Wellness** in treatments does not require learning new techniques. They easily adapt to all the massage techniques leading them to an higher level.

Le Sfere Wellness can be easily and instantly cleaned and sanitized with antibacterial detergent and water.

Practicality, speediness in preparation and easiness in cleaning are the ingredients needed for a considerable time saving.

SPHERES PREPARATION

HOT SPHERES

Fill with water a metal pot and insert it in the wax heater or use any device that can maintain a fix temperature of 45°C. Immerse two spheres in the water and wait 10/15 minutes.

The liquid contained captures the heat and release it during the massage.

Extract the spheres, dry them and proceed with the treatment.

The HEAT helps muscle relaxation and gives a regenerating effect on the emotions.

HOT SPHERES can be heat in a wax heater or in any device that can maintain a fix temperature of 45°C.

COLD SPHERES

Place the spheres with their polystyrene container in the freezer and wait about 20 minutes for them to cool down.

The liquid contained cools without freezing, making them ready to use.

Remove, dry and proceed with the treatment.

A full and extend “CRYO” effect that revitalizes, tones and refreshes.

ADVICE FOR USE

Apply the massage cream or oil indicated to the treatment and proceed with a face and body massage making parallel, crossed, spiral or circular movements.

The liquid contained in **Le Sfere Wellness** offers a pleasant sound: the delicate rotation of the tools close to the ears evokes a relaxing sound of sea waves, creating a special welcoming feeling that leads to a total state of well-being and calmness.

We also suggest massaging **Le Sfere Wellness** on serums, face masks (*gel, biocellulose, creamy...*), muds body wrapping or aesthetic bandages to **increase the efficacy** and donate to the customer a **delightful sensation**.

It is advisable to use 2 spheres at the same time to perform a balanced treatment.
